---

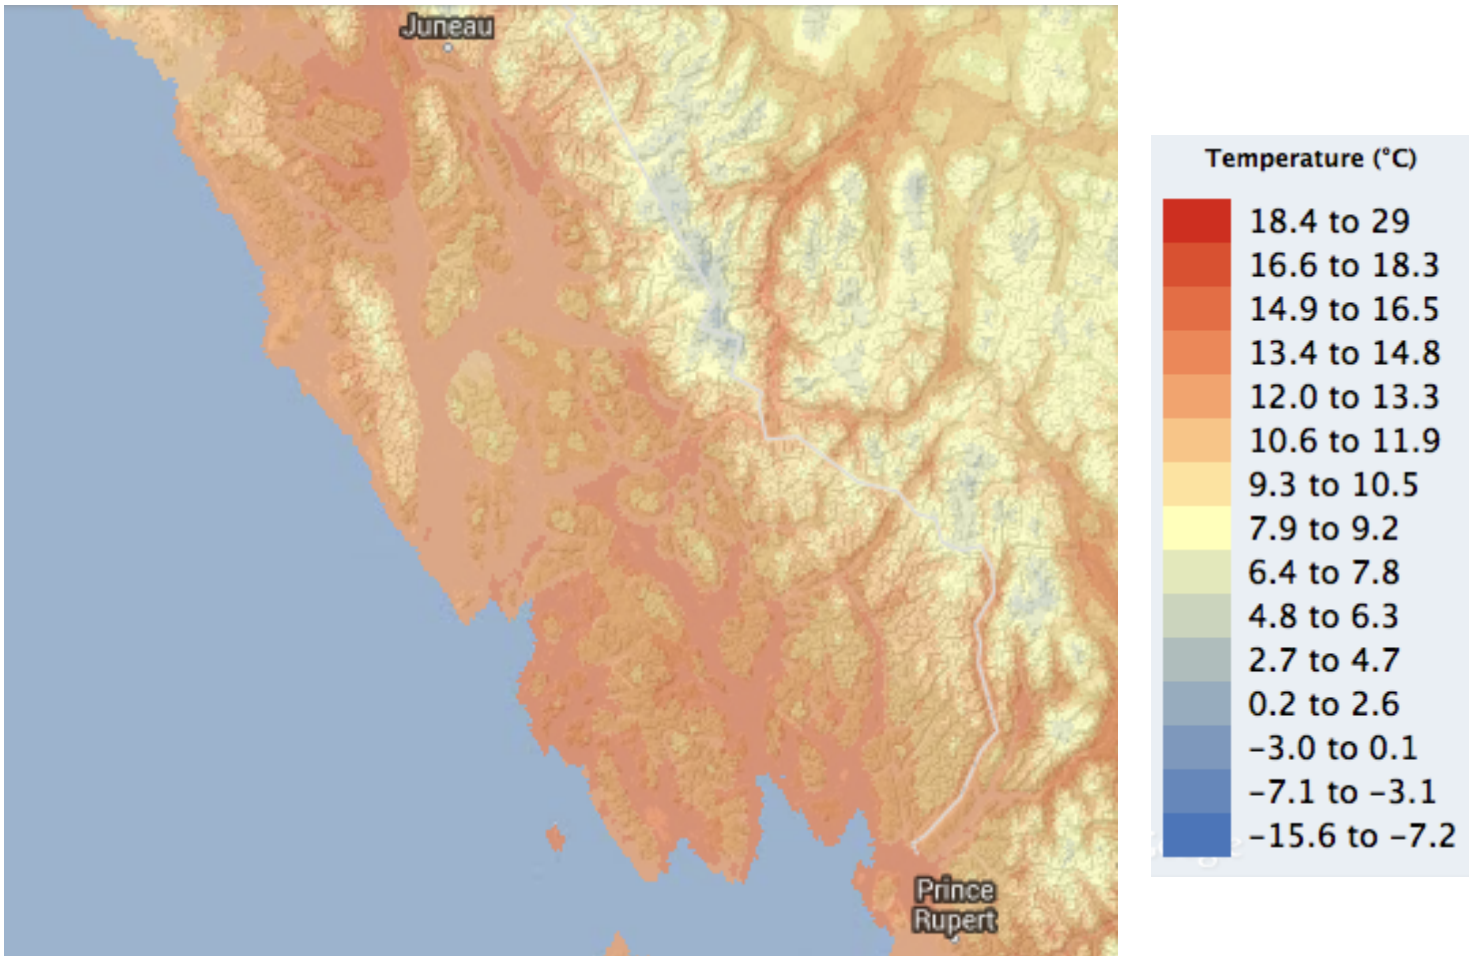

MAP 2: Mean Annual Temperature Projected for 2050

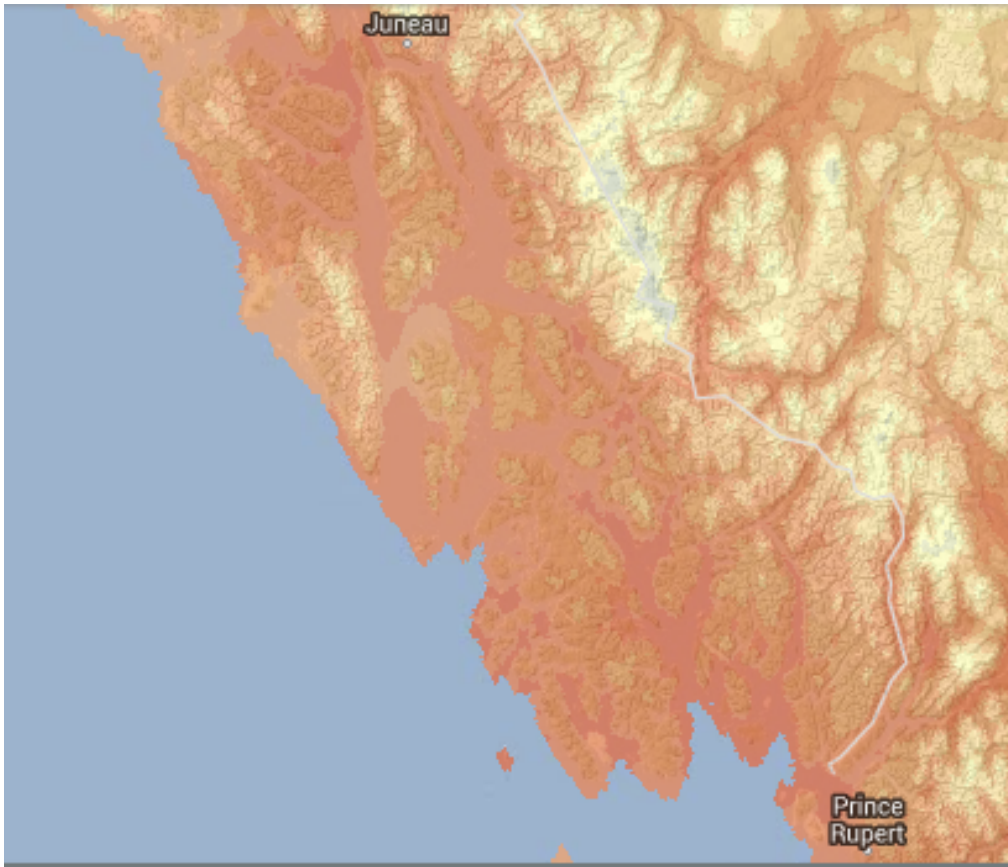

MAP 3: Mean Annual Temperature Projected for 2100

Mean Summer Temperature: SNAP Maps 4-6

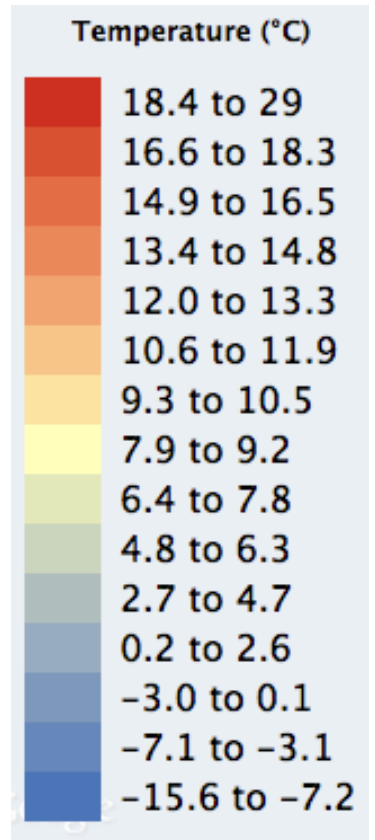

MAP 4: Mean Summer Temperature, 1961-1990

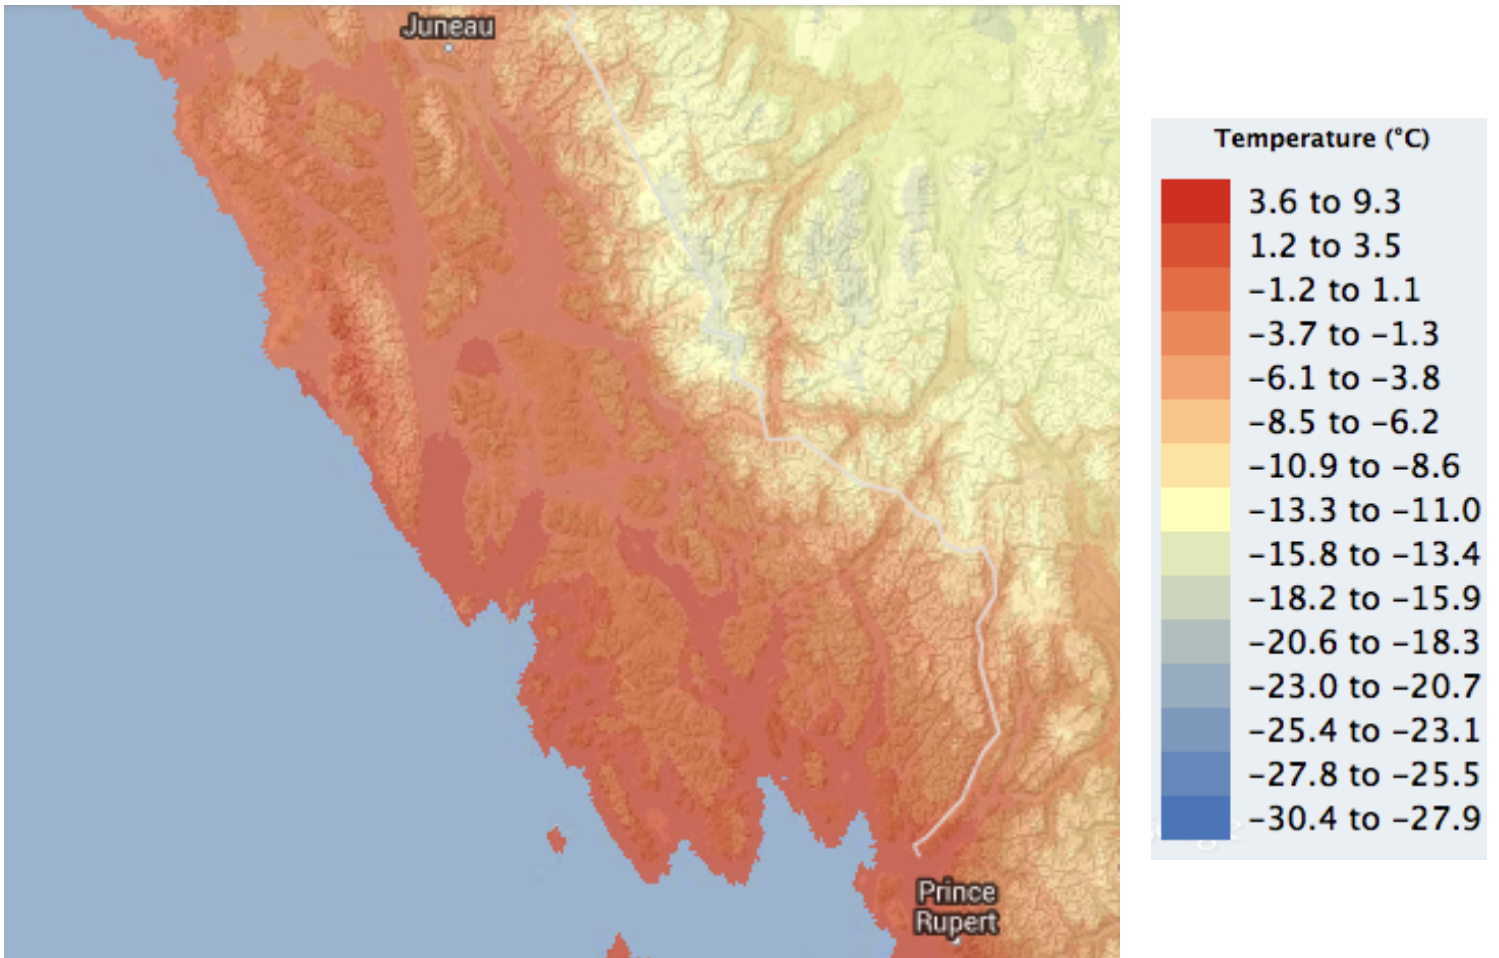

**MAP 5:** Mean Summer Temperature Projected for 2050

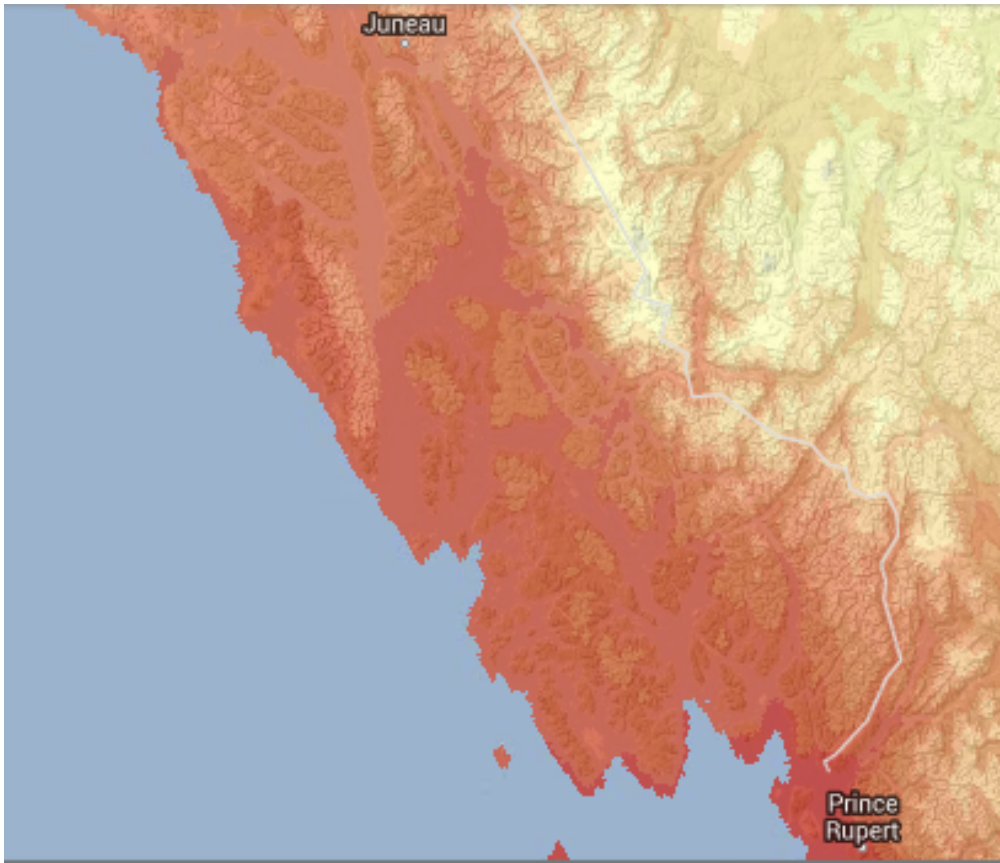

**MAP 6:** Mean Summer Temperature Projected for 2100

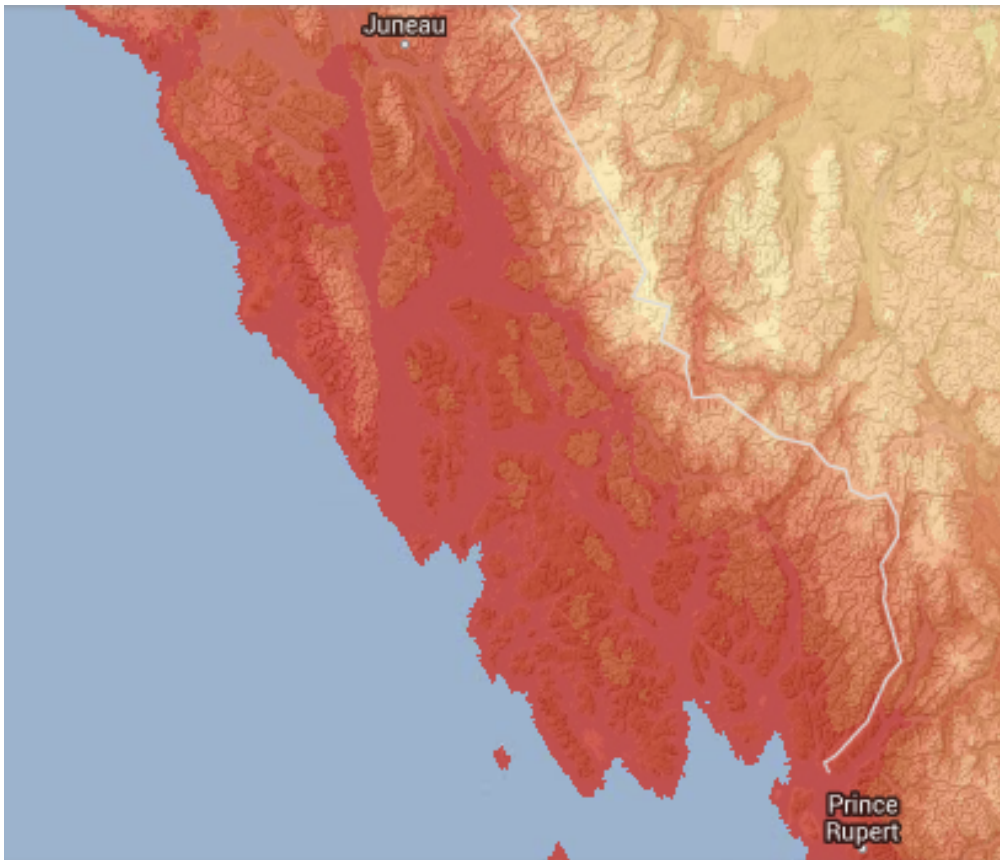

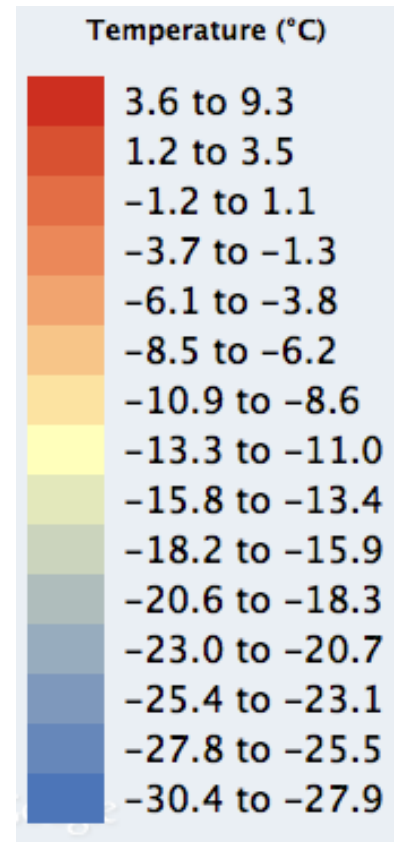

Mean Winter Temperature: SNAP Maps 7-9

MAP 7: Mean Winter Temperature, 1961-1990

**MAP 8:** Mean Winter Temperature Projected for 2050

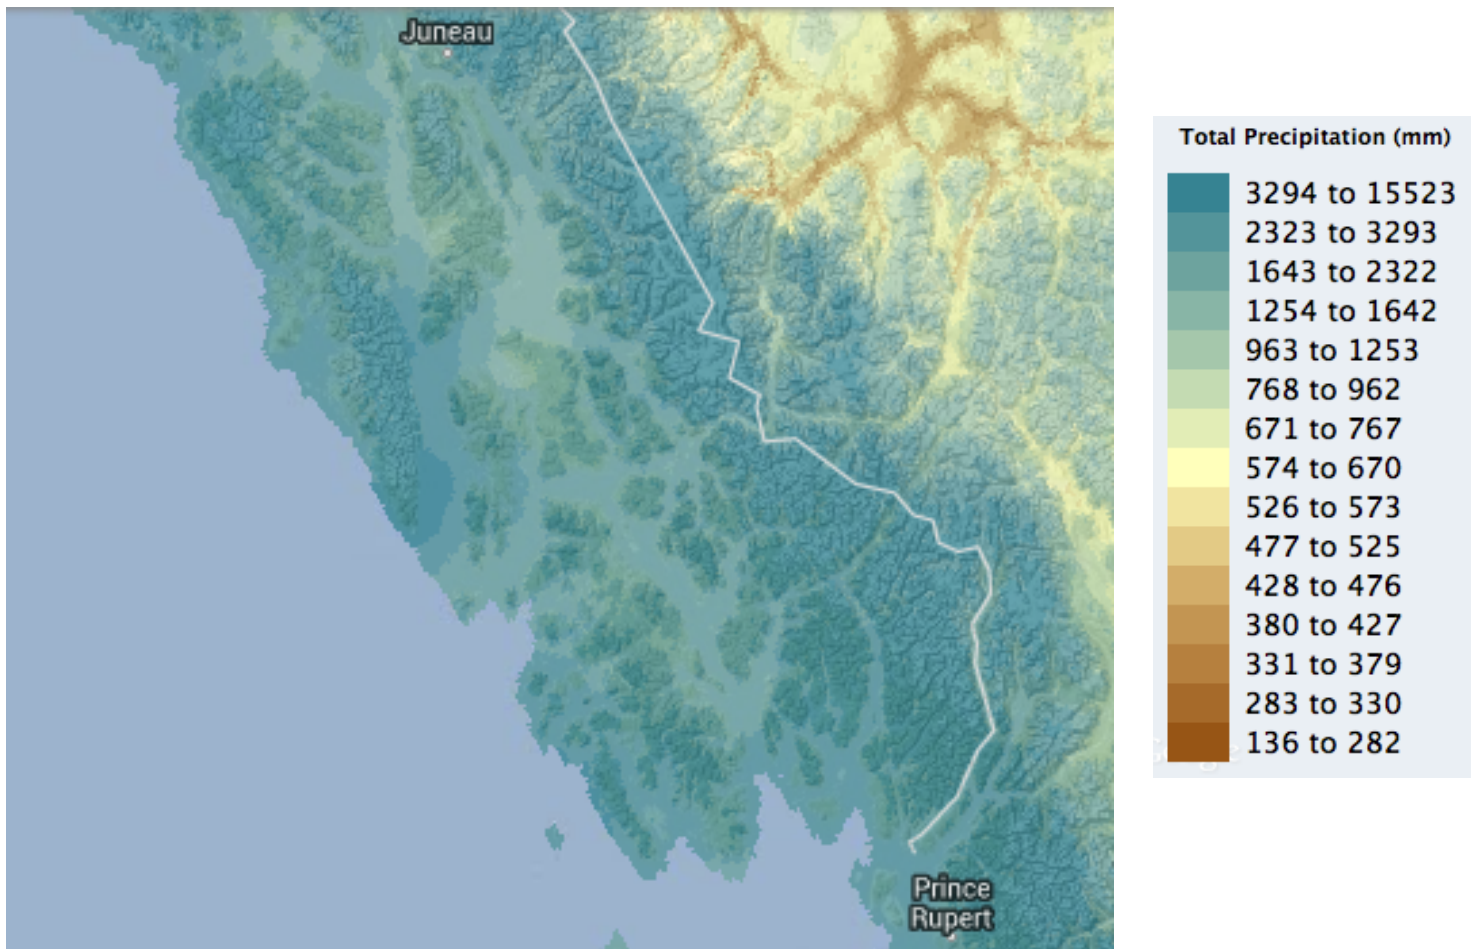

**MAP 9:** Mean Winter Temperature Projected for 2100

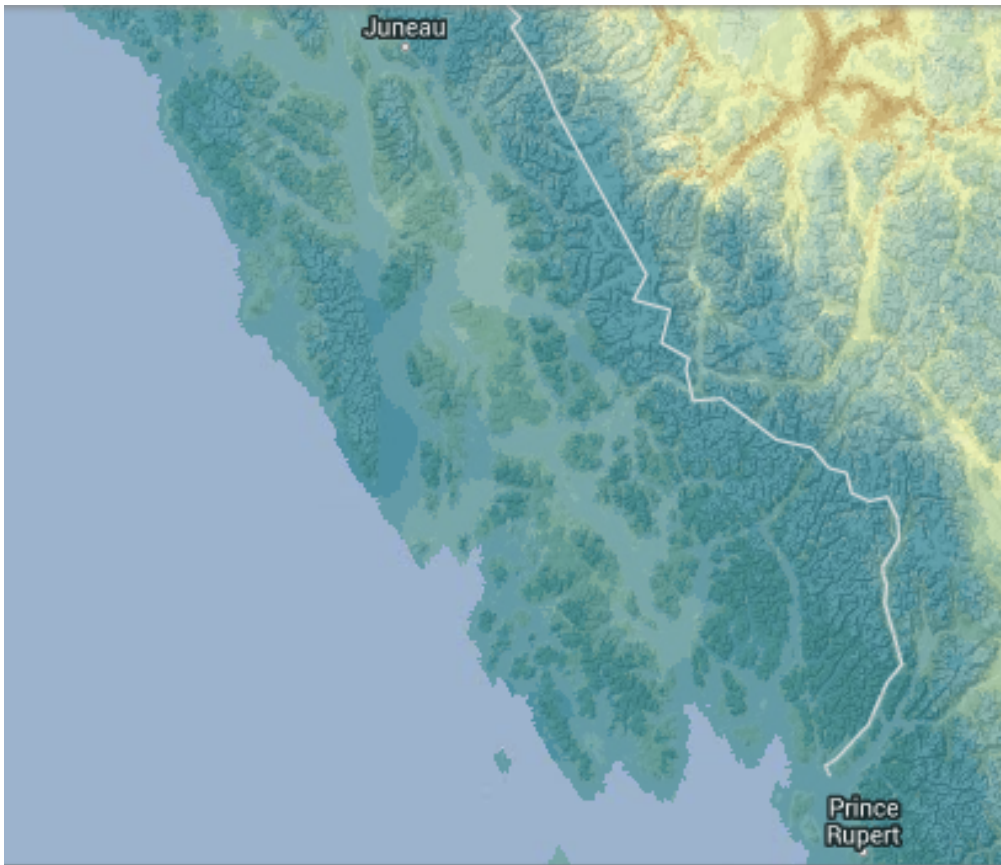

# Precipitation

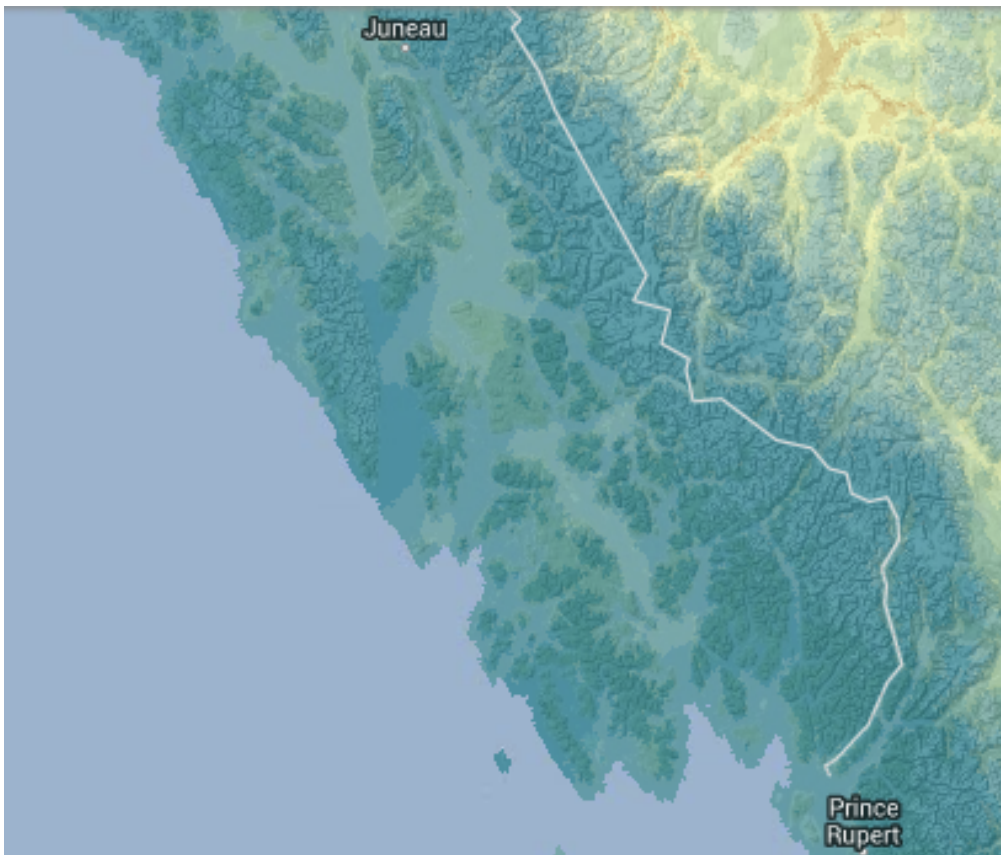

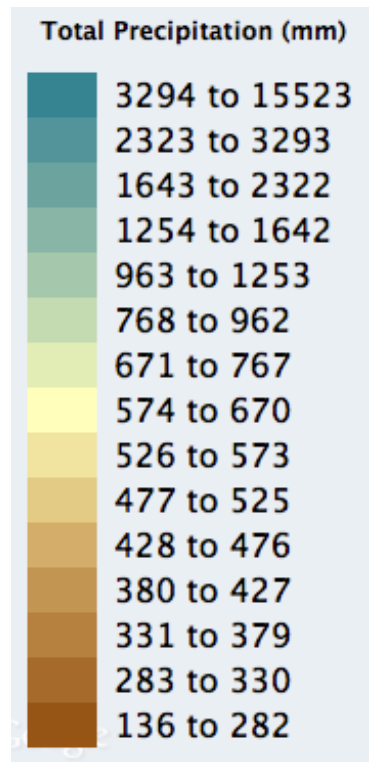

Mean Annual Precipitation: SNAP Maps 10-12

**Map 10:** Mean Annual Precipitation, 1961-1990

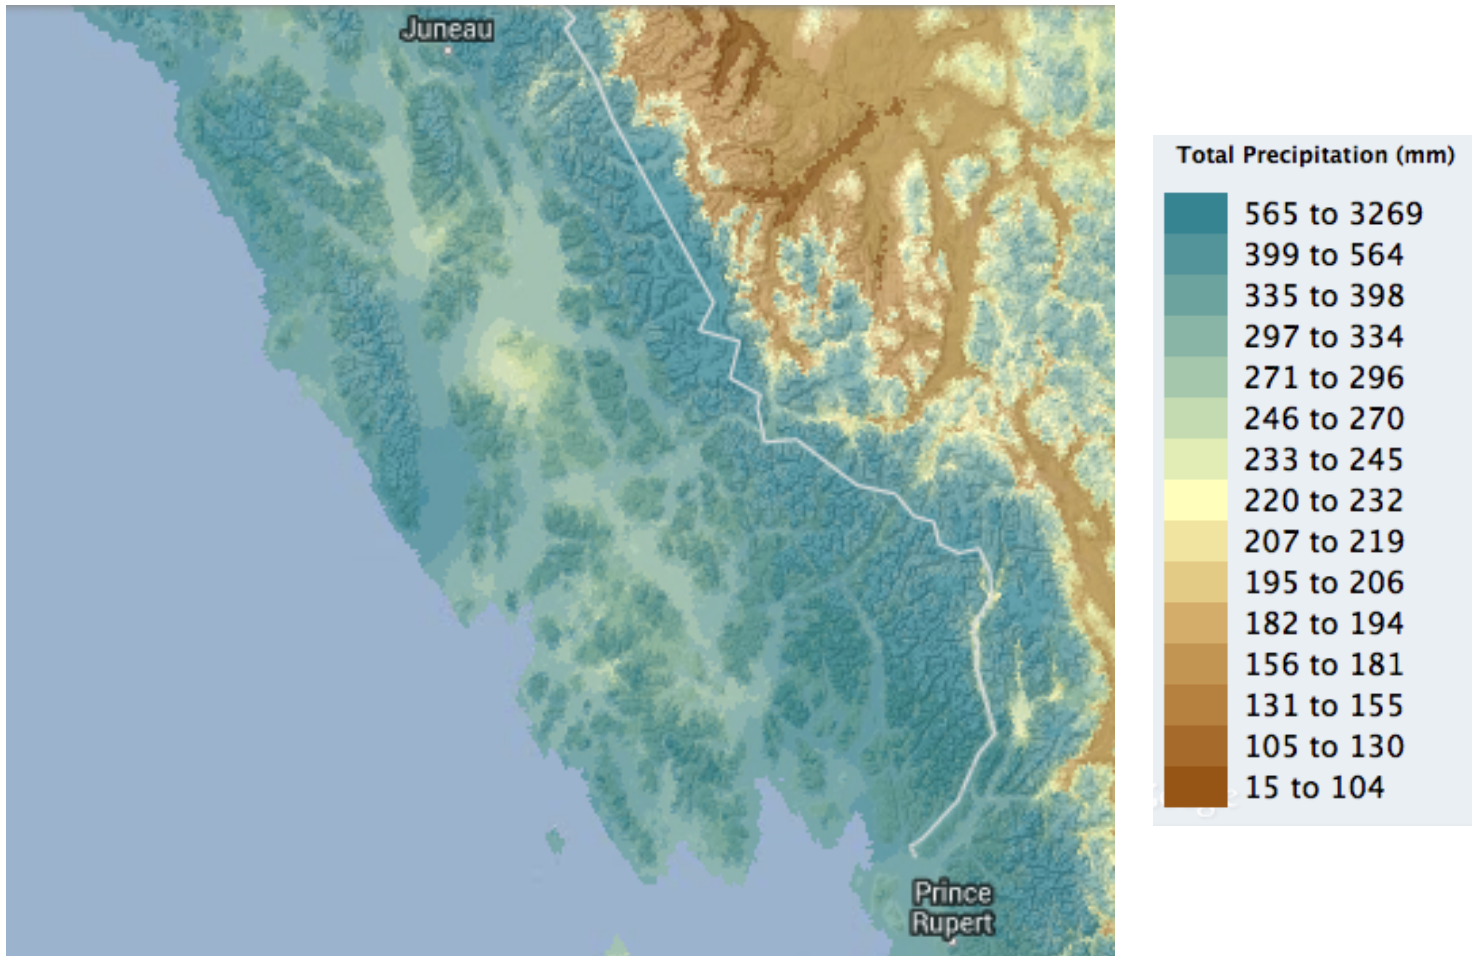

**MAP 11:** Mean Annual Precipitation Projected for 2050

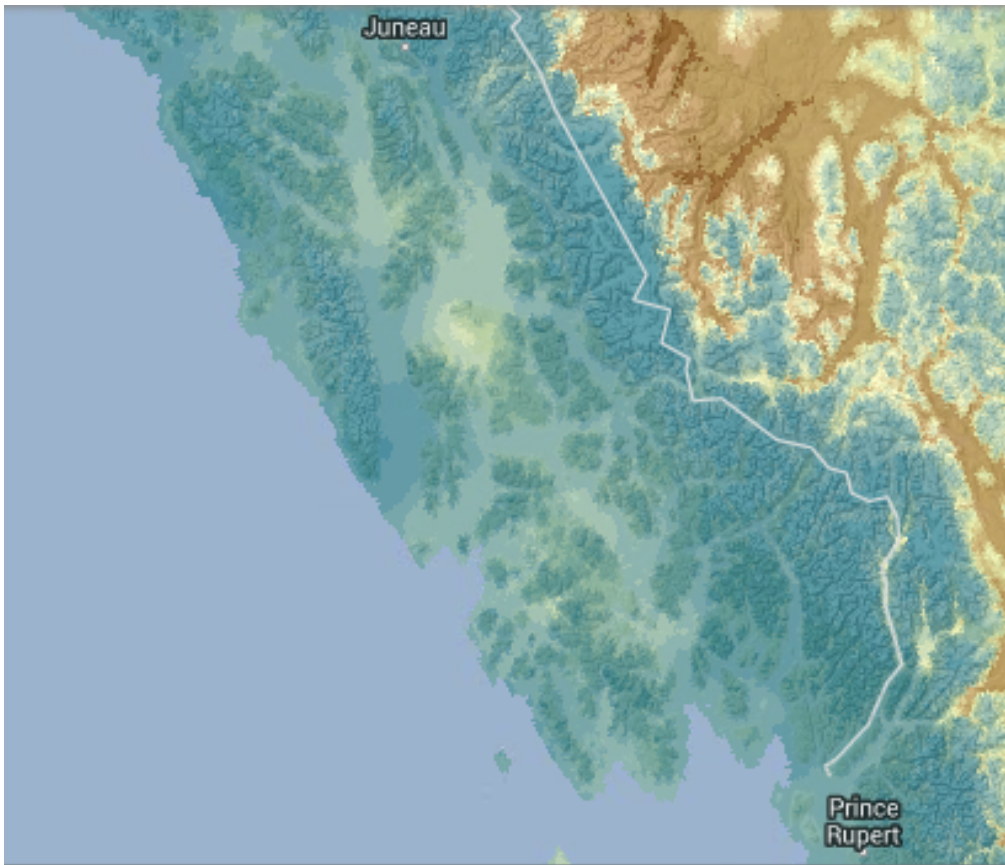

**MAP 12:** Mean Annual Precipitation Projected for 2100

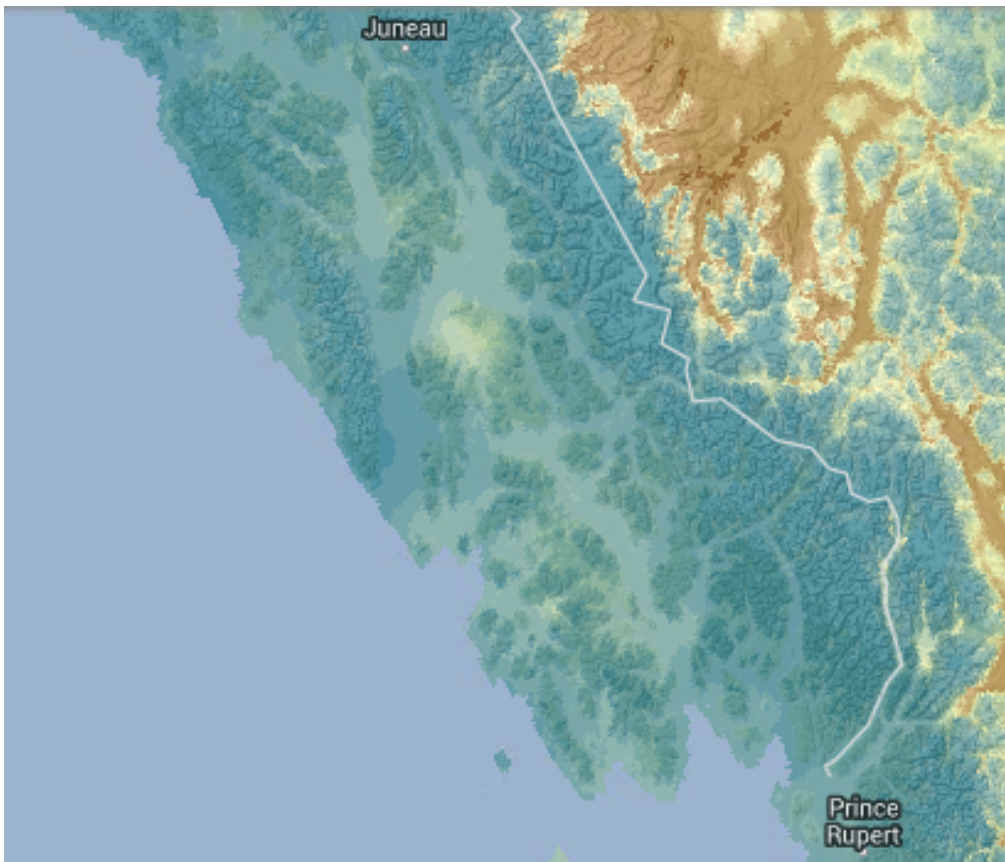

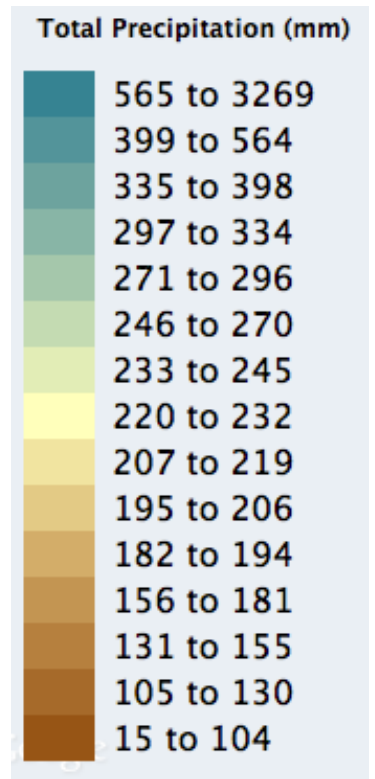

Mean Summer Precipitation: SNAP Maps 13-15

MAP 13: Mean Summer Precipitation, 1961-1990

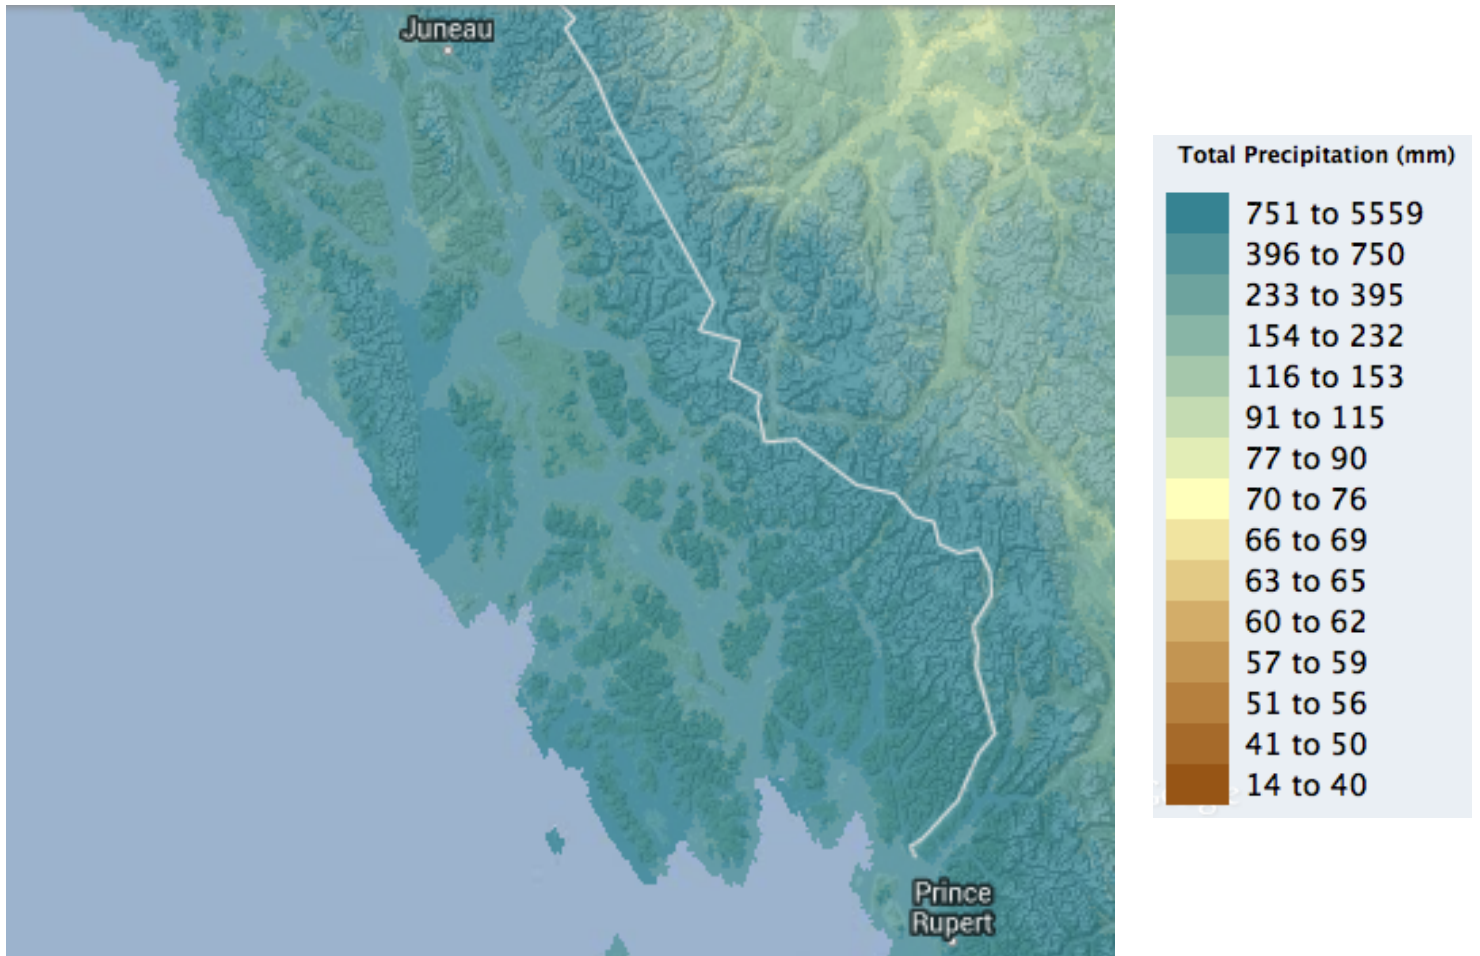

**MAP 14:** Mean Summer Precipitation Projected for 2050

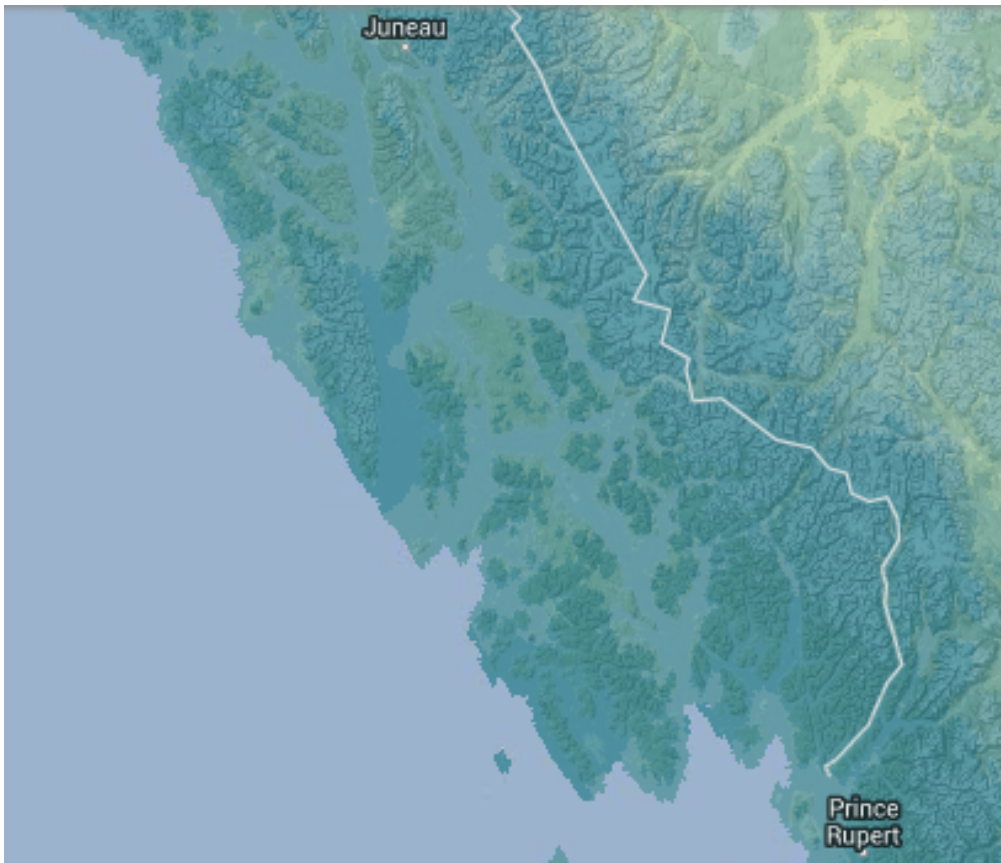

**MAP 15:** Mean Summer Precipitation Projected for 2100

Mean Winter Precipitation: SNAP Maps 16-18

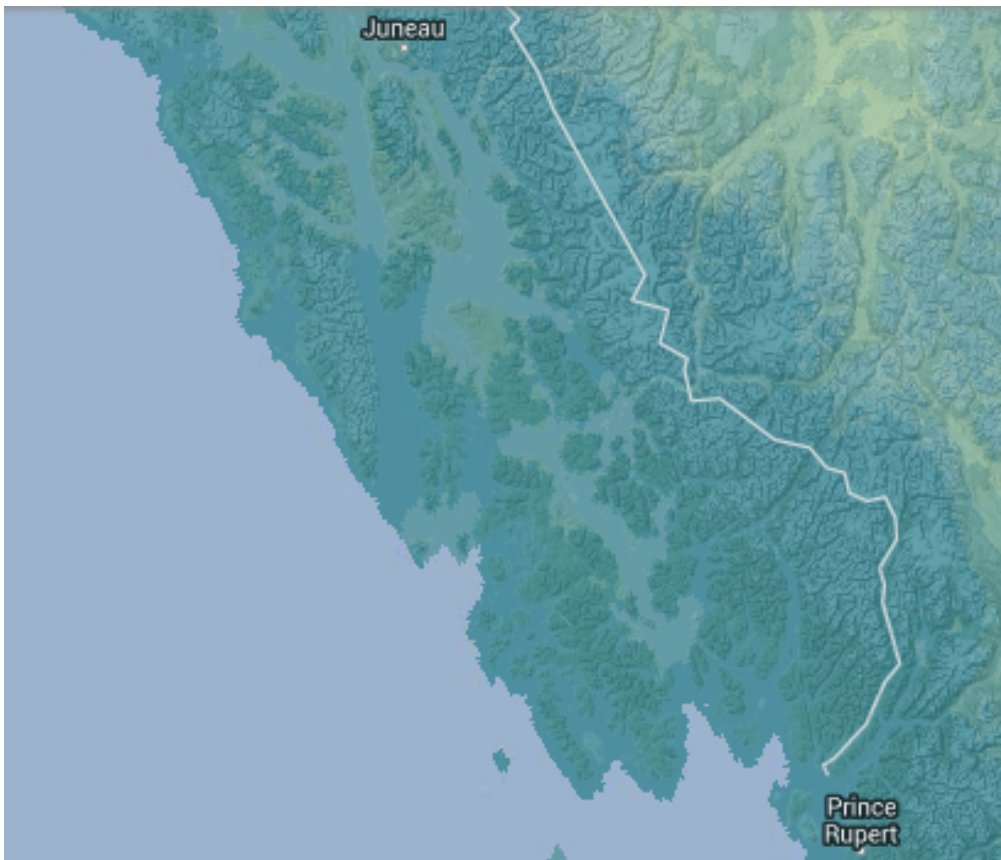

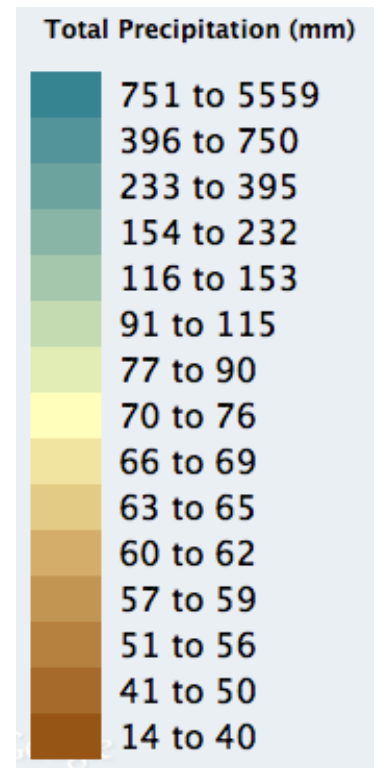

MAP 16: Mean Winter Precipitation, 1961-1990

**MAP 17:** Mean Winter Precipitation Projected for 2050

**MAP 18:** Mean Winter Precipitation Projected for 2100
