

## North-central California Coast and Ocean Climate-Smart Adaptation Project

### Workshop 1: Focal Resources

February 11, 2014

9:30 am – 3:00 pm

### Workshop Logistics

#### Location

California Academy of Sciences

75 Nancy Pelosi Drive

San Francisco, CA

#### Public transit

California Academy of the Sciences is located in Golden Gate Park, and there are abundant public transportation options, including Muni buses and streetcars. Visit the [California Academy transportation webpage](#) for more info.

#### Driving directions

Use google maps [here](#) to create door-to-door driving directions, or view bay-specific directions at the [California Academy transportation webpage](#).

#### Biking

Bike racks are located on Music Concourse Drive to the left and right of the drop-off areas outside the Academy and also on Nancy Pelosi Drive to the right and left of the bridge.

#### Parking

There are multiple parking options at California Academy, both free and paid.

1. Paid parking (\$25 for the day) is available in the underground [Concourse Parking Facility](#) located beneath California Academy and the DeYoung Museum of Art.
2. Free all-day parking can be found farther from the venue, at Stow Lake in Golden Gate Park.
3. Free 4-hour parking can be found immediately outside the venue, along JFK Drive and Nancy Pelosi Drive. Because the meeting is longer than 4 hours, you may want to move your car during lunch.

#### Meals

A light breakfast (pastries, fruit, coffee) and lunch (sandwiches) will be provided. Lunch will be later than usual (12:45 pm), but snacks and drinks will be available throughout the morning session.
