

Hawaii and Pacific Islands Climate Change Information Resources

Climate Savvy Restoration Workshop, March 13-14 2012

Intergovernmental Panel on Climate Change IPCC

Small Islands Chapters, includes Hawaii and the US Protectorates

http://www.ipcc.ch/publications_and_data/ar4/wg2/en/ch16.html

Also see the full IPCC report at [IPCC.ch](http://www.ipcc.ch)

Great source of basic technical information about climate change, regional impacts, etc.

University of Hawaii (Law school), Center for Island Climate Adaptation and Policy

Maxine Burkett

Check out the Island Climate Clearinghouse section

www.islandclimate.org

Bishop Museum

Search 'climate change' from their home page

bishopmuseum.org

Secretariat of the Pacific Regional Environmental Programme

<http://www.sprep.org/>

PICCC

Pacific Islands Climate Change Cooperative

Be sure to check out the National Climate Assessment chapter for Hawaii (a draft was provided in the workshop materials)

piccc.net

State of Hawaii Adaptation Framework:

<http://www.cakex.org/case-studies/2683>

Hawaii Coastal Zone Management Program

Climate Adaptation Knowledge Exchange (CAKEx.org)

CAKEx.org

Visit the site and enter Hawaii (or any other island name) in the keywords and see what you find. You can also search using the map.

Individual researchers and studies:

****The National Climate Assessment chapter for the Pacific Islands Region (a draft was provided in the workshop materials) is a very good place to go for citations to recent publications and reports.****
