

CLIMATE SAVVY National Adaptation Forum Planning Agenda

Use this agenda to attend symposia, working groups or trainings to help guide you up the Adaptation Ladder of Engagement						
Tuesday, April 2, 2013						
Room	Mattie Silks	Nat Hill	Pomeroy	Spruce	Denver Ballroom 3	Denver Ballroom 4
Session Type	Symposium	Symposium	Symposium	Symposium	Symposium	Symposium
10:30AM-12:00PM	Title: Advancing Understanding and Application of Adaptive Capacity to Inform Sustainable Resource Management in a Changing Climate	Title: Adaptation for Wildland Aquatic Resources	Title: Understanding the problem - The Overlap Between Hazard Mitigation and Adaptation	Title: Coastal Adaptation Lessons Learned: Planning to Implementation	Title: Seawalls and Wrecking Balls: Overcoming the Barriers to Making CMSP Climate-Smart	Title: Linking Climate Change Vulnerability Assessment to Adaptation Strategy for Species, Ecosystems, and Landscapes
Room	Gold Coin	Matchless	Molly Brown	Denver Ballroom 1	Denver Ballroom 2	
Session Type	Training	Working Group	Working Group	Working Group	Working Group	
10:30AM-12:00PM	Title: Part 1: Using Social Ecology, the Science of Community, to Mobilize Citizens and Partnerships for Climate Change Adaptation	Title: Navigating the Sea of Adaptation Planning Possibilities: Best practices in climate change adaptation planning for natural resources and biodiversity conservation	Title: Critical Thresholds: Can't live with 'em, can't live without 'em	Title: Part 1: Framing Resilience: What is it and how do we message it effectively?	Title: Part 1: Resilience Regionalism - Working at Scale for Integrated Adaptation Outcomes	
Room	Gold Coin	Matchless	Molly Brown	Denver Ballroom 1	Denver Ballroom 2	
Session Type	Working Group	Working Group	Training	Working Group	Working Group	
12:00PM-1:30PM	Title: Successful Adaptation in Space and Time: What Works, What Can Be Improved from Lessons Learned?	Title: The Equity Dimensions of Adaptation	Title: Climate Savvy Quick Course	Title: Part 2: Framing Resilience: What is it and how do we message it effectively?	Title: Part 2: Resilience Regionalism - Working at Scale for Integrated Adaptation Outcomes	
Room	Mattie Silks	Nat Hill	Pomeroy	Spruce	Denver Ballroom 3	Denver Ballroom 4
Session Type	Symposium	Symposium	Symposium	Symposium	Symposium	Symposium
1:30PM -3:00PM	Title: Communicating Climate Information for Adaptation and Applied Research	Title: Resilience Indicators: Ready or Not	Title: Climate Adaptation at the Landscape Scale: How LCCs are Meeting the Challenge	Title: Climate Justice Alignment: Strategies and Tools to Build Community Resilience in Low-income Communities of Color	Title: Putting Climate Smart Conservation into Practice	Title: Adaptation Initiatives in Tropical Islands: It is too Late for "No Regrets" Strategies

Tuesday, April 2, 2013						
Room	Gold Coin	Matchless	Molly Brown	Denver Ballroom 1	Denver Ballroom 2	
Session Type	Training	Training	Training	Working Group	Training	
1:30PM - 3:00PM	Title: Part 2: Using Social Ecology, the Science of Community, to Mobilize Citizens and Partnerships for Climate Change Adaptation	Title: Part 1: Gaming Adaptation: Introducing Role-Play Simulations for Stakeholder Engagement, Teaching and Research	Title: Part 1: Climate Communication: Applying Communication Research to be Effective	Title: Part 1: Preparing for change: a discussion of evaluation tools and techniques to identify research and management needs for addressing adaptation and climate change in aquatic systems	Title: Part 1: Integrating Climate Risk into Major Projects	
Room	Mattie Silks	Nat Hill	Pomeroy	Spruce	Denver Ballroom 3	Denver Ballroom 4
Session Type	Symposium	Symposium	Symposium	Symposium	Symposium	Symposium
3:30PM - 5:00PM	Title: Fostering Resilience in Vulnerable Communities Through Adaptation and Disaster Planning	Title: Facilitating Adaptation to Climate Variability and Change Through Community Engagement and Mobilization	Title: Climate Change: The Policy Landscape	Title: Let's We Forget: The Crucial "People Part" in Advancing Climate Responses	Title: Tribal Climate Adaptation Case Studies – Building on Success	Title: Making It Real: Integrating Climate Change into the Day-to-Day Work of a Wildlife Agency
Room	Gold Coin	Matchless	Molly Brown	Denver Ballroom 1	Denver Ballroom 2	
Session Type	Training	Training	Training	Working Group	Training	
3:30PM-5:00PM	Title: Part 3: Using Social Ecology, the Science of Community, to Mobilize Citizens and Partnerships for Climate Change Adaptation	Title: Part 2: Gaming Adaptation: Introducing Role-Play Simulations for Stakeholder Engagement, Teaching and Research	Title: Part 2: Climate Communication: Applying Communication Research to be Effective	Title: Part 2: Preparing for change: a discussion of evaluation tools and techniques to identify research and management needs for addressing adaptation and climate change in aquatic systems	Title: Part 2: Integrating Climate Risk into Major Projects	
WED.						
WEDNESDAY APRIL 3, 2013						
Room	Mattie Silks	Nat Hill	Pomeroy	Spruce	Denver Ballroom 3	Denver Ballroom 4
Session Type	Symposium	Symposium	Symposium	Symposium	Symposium	Symposium
8:30AM - 10:00AM	Title: Assessing Adaptation Options for Species Conservation	Title: "Climate Ready" Management of Living Marine Resources: Assessing Impacts and Risk	Title: Strength in Numbers: Building Regional Adaptation Networks to Face Local Coastal Hazards	Title: Cross-Sectoral Urban Adaptation	Title: Climate in Context: Interdisciplinary Problem Solving in NOAA's RISA Program	Title: Tools for Coastal Climate Change Vulnerability Assessment and Adaptation Planning

WED.	WEDNESDAY APRIL 3, 2013 cont.					
Session Type	Training	Working Group	Working Group	Working Group	Working Group	Training
8:30AM-10:00AM	Title: Part 1: Building Resilience: A simpler way to approach Adaptation Practice	Title: Part 1: Shaking the Couch Cushions – Creating and Expanding Funding Streams for Adaptation Planning and Implementation	Title: A Strategic Alignment for Great Lakes Climate Change	Title: Part 1: Equity and Justice in Adaptation Planning	Title: Part 1: North Central Climate Science Center Adaptation Working Group	Title: Part 1: Building Coastal Resilience
Room	Colorado B	Colorado C	Colorado D			
Session Type	Training	Training	Training			
8:30AM-10:00AM	Title: Part 1: Decision Analysis for Climate Adaptation	Title: Part 1: Translating Research to Inform Policy: How to Participate Effectively in the Policy Process	Title: Part 1: Initiating Adaptation Planning with the Vulnerability and Consequences Adaptation Planning Scenario Process (VCAPS)			
Room	Mattie Silks	Nat Hill	Pomeroy	Spruce	Denver Ballroom 3	Denver Ballroom 4
Session Type	Symposium	Symposium	Symposium	Symposium	Symposium	Symposium
10:30AM - 12:00PM	Title: Pipes, Pumps and Pavement: Infrastructure Adaptation Approaches and Costs	Title: Managing the Landscape in a Changing Climate: Tools, Resources and Considerations for Conserving Biodiversity and Restoring Habitat Health	Title: When Sandy Comes Knocking	Title: Taking the First Steps: Wondering Where to Get Started on Adaptation or Have Suggestions to Share? Join us to discuss how to catalyze community adaptation efforts and overcome common barriers	Title: How Federal Agencies Support Climate Adaptation at the Local Level	Title: Innovative Engagement for Coastal Climate Change Adaptation Planning: Weaving Values, Collaborative Process, and Communities of Practice
Room	Gold Coin	Matchless	Molly Brown	Denver Ballroom 1	Denver Ballroom 2	Colorado A
Session Type	Training	Working Group	Working Group	Working Group	Working Group	Training
10:30AM - 12:00PM	Title: Part 2: Building Resilience: A simpler way to approach Adaptation Practice	Title: Part 2: Shaking the Couch Cushions – Creating and Expanding Funding Streams for Adaptation Planning and Implementation	Title: Indigenous Cultures of Color Working Group	Title: Part 2: Equity and Justice in Adaptation Planning	Title: Part 2: North Central Climate Science Center Adaptation Working Group	Title: Part 2: Building Coastal Resilience
