

Natural Lands Climate Change Adaptation Workshop

Tuesday, May 30th and Thursday, June 1st 2023

Workshop Overview: The goal of this two-part virtual workshop is to develop concrete, actionable adaptation strategies and actions that can be implemented within ChesLen and Bear Creek Preserves, while also building the capacity of Natural Lands staff to understand and incorporate information about expected climate change impacts and ecosystem vulnerability into climate-informed planning and management.

Time: 12:00–4:00pm Tues. (5/30) and 12:30–4:30 pm Thurs. (6/1)
Please join 15 minutes early for technology check!
